

# Draft Programme

International Workshop on Risk Assessment of Combined Exposure to Multiple Chemicals | Online, 18-19-20 October 2021

## DAY 1 – 18 October 2021

| <b>OPENING SESSION: International activities on risk assessment of combined exposure to multiple chemicals: Towards harmonisation of methodologies</b><br><b>Chair: Heather Wallace, University of Aberdeen (UK)</b><br><b>Rapporteur: Stephanie Bopp, Joint Research Center, Ispra (Italy)</b> |  |   |
|---|--|---|
| 13:30-13:45   | <b>Welcome</b>   | Juliane Kleiner, EFSA                         |
| 13:45-14:00   | <b>Overall Objective of the Workshop</b>   | Heather Wallace, University of Aberdeen (UK)  |
| 14:00-14:25   | <b>EFSA MIXTOX Guidance Documents</b><br>Questions   | Christer Hogstrand, Kings College London (UK) |
| 14:25-14:55   | <b>US-EPA activities on Combined Exposure to Multiple Chemicals: Latest Developments</b><br>Questions  | Paul Price, US-EPA, Durham (US)               |
| 14:55-15:20   | <b>FAO/WHO Consultation on Combined Exposure to Multiple Chemicals for JECFA and JMPR</b><br>Questions | Alan Boobis, Imperial College London (UK)     |
| 15:20-15:40   | <b>Coffee/Tea break</b>  |   |
| 15:40-16:05   | <b>OECD Activities on Combined Exposure to Multiple Chemicals</b><br>Questions                         | Patience Browne, OECD (FR)                    |
| 16:05-16:30   | <b>JRC EURL-ECVAM Activities on Combined Exposure to Multiple Chemicals</b><br>Questions               | Stephanie Bopp, EC-JRC                        |
| 16:30-16:40   | <b>Introduction to Break-out Sessions and Break-out Groups</b>   | Jean Lou Dorne, EFSA                          |
| <b>BREAK-OUT SESSION 1: Hazard-driven Criteria for grouping chemical into assessment groups : from systemic toxicity to mechanistic understanding</b>   |  |   |
| 16:40-18:40   | <b>Break-out Session 1: Hazard-driven Criteria</b>   | Chair and Rapporteur per Break-out group      |

**DAY 2– 19 October 2021**

|   |   |   |
|---|---|---|
| <b>PLENARY SESSION: Reporting from Break-out session 1</b><br>Chair: Heather Wallace, University of Aberdeen (UK)<br>Rapporteur: Stephanie Bopp, Joint Research Center, Ispra (Italy) |   |   |
| 14:00-14:40   | <b>Reporting from Break-out session 1: Hazard-driven criteria</b><br>Reports from each Breakout group (10 min each) | Rapporteur from all 4 Break-out groups (10' each) |
| 14:40-15:40   | <b>Plenary Discussion and Take-home messages</b><br>Questions, answers and discussion                               | Chair/Rapporteur                                  |
| 15:40-16:00   | <b>Coffee/Tea break</b>   |   |
| <b>BREAK-OUT SESSION 2: Exposure-driven and Risk-based Criteria: Priority settings and tools</b>  |   |   |
| 16:00-18:00   | <b>Break-out session 2: Exposure-driven and Risk-based Criteria</b>   | Chair and Rapporteur per Breakout group           |

**DAY 3 – 20 October 2021**

|  |   |   |
|--|---|---|
| <b>PLENARY SESSION 2 : Reporting from Break-out session 2</b><br>Chair: Heather Wallace, University of Aberdeen (UK)<br>Rapporteur: Stephanie Bopp, Joint Research Center, Ispra (Italy)                   |   |   |
| 13:30-14:10  | <b>Reporting from break-out session 2: Exposure-driven and Risk-based criteria</b><br>Reports from each break-out group (10 min each)   | Rapporteur from all 4 Break-out groups (10' each) |
| 14:10-15:10  | <b>Plenary discussion and take-home messages</b><br>Questions, answers and discussion   | Chair/Rapporteur                                  |
| <b>BREAK-OUT SESSION 3: Future challenges in risk assessment of combined exposure to multiple chemicals</b>  |   |   |
| 15:10-16:40  | <b>Breakout session 3: Future challenges</b>  | Chair and Rapporteur per Break-out group          |
| 16:40-17:00  | <b>Coffee/Tea break</b>   |   |
| <b>PLENARY SESSION 3 : Reporting from Break-out session 3</b><br>Chair: Heather Wallace, University of Aberdeen (UK)<br>Rapporteur: Stephanie Bopp, Joint Research Center, Ispra (Italy)                   |   |   |
| 17:00-17:40  | <b>Reporting from Break-out session 3: Future challenges in risk assessment of combined exposure to multiple chemicals</b><br>Reports from each break-out group (10 min each) | Rapporteur from all 4 Break-out groups (10' each) |
| 17:40-18:00  | <b>Plenary discussion and Take-Home messages</b><br>Questions, Answers and Discussion   | Chair/Rapporteur                                  |
| <b>FINAL SESSION: Final take home messages, way forward and closing remarks</b><br>Chair: Heather Wallace, University of Aberdeen (UK)<br>Rapporteur: Stephanie Bopp, Joint Research Center, Ispra (Italy) |   |   |
| 18:00-18:15  | <b>Wrap up and Final Take-Home messages</b>   | Chair/Rapporteur                                  |
| 18:15-18:20  | <b>Closing remarks</b>  | Juliane Kleiner, EFSA                             |
